To Whom It May Concern,

Re: Silica-free assurance for benchtop products

We hereby confirm that benchtop products supplied by our company, inclusive of Meganite Solid Surface, Egger Compact Laminate and Egger Laminate, are 100% free of harmful crystalline silica and, therefore comply with Safe Work Australia's prohibition on the use of engineered stone, effective from 1 July 2024.

Our commitment to quality and safety aligns seamlessly with national regulations, ensuring that our products meet the required standards.

For any further enquiries or clarification, please do not hesitate to contact one of our local branches.

Sincerely,

Isabelle Le Guay
